Dear Mr. Shires:

Please find the enclosed provisional license certificate for tissue bank operation for the following location:

The provisional license is effective until either May 1, 2011 or the issuance of a full license following an on-site survey of your tissue bank. The license is limited to tissue banking activities performed directly by LifeLink Tissue Bank. The certificate must be posted conspicuously.

In accordance with the provisions of 10 NYCRR 52-3.7(d), the department will require an annual summary of the activities of your tissue bank. Information to be reported may include the numbers of tissue donors and donations, numbers of tests for various infectious diseases, numbers of tissue specimens recovered, processed, and distributed and outcomes of transplantation procedures reported by client facilities.
